(1) The effective rate is determined by multiplying the total rate by a composite reduction factor which is determined annually by the State Tax Commissioner to adjust for changes in the valuation of the property tax base.

(2) The City of Columbus entered Fairfield County in 1975 and Delaware County in 1991. Because the vast majority of property within the City lies within Franklin County, the above table demonstrates a ten year history of that property within Franklin County, but only current year data for Fairfield and Delaware counties.
